**CENTRAL PLANNING STAFF
PLANNING DIRECTIVE NO. 47**

20 June 1946

SUBJECT: Program for the Coordination of Counterintelligence Activities and Procedures

REFERENCE: (a) CPS Planning Directive No. 32, subject: Allocation and Coordination of Intelligence Research Responsibilities
(b) CPS Planning Directive No. 38, subject: Coordination of Collection of Foreign Intelligence Information

1. The Problem:

a. The referenced Planning Directives were issued to the Intelligence Branch and to the Information Branch, respectively, in order to initiate planning designed to culminate in the announcement by the NIA of broad national policies to govern the coordination of intelligence research and the collection of intelligence information, respectively, and to establish programs to carry out these policies.

b. It is deemed necessary that similar action should be taken in the field of counterintelligence.

2. Planning Requirement:

a. The Security Branch will study the subject of policies to govern the coordination of counterintelligence activities and procedures related to the national security.

b. The Branch will prepare drafts of proposed actions providing for the promulgation of these necessary NIA policies and for the program required to implement them.

c. The actions will be submitted in duplicate with an additional copy to be furnished the Policy and Review Branch direct.

3. Deadline:

An informal progress report will be submitted by 1 July.
